**Trip Cancellation Policy:** All but a reservation fee of \$20.00 per person will be refunded up to four weeks before the trip start. We will refund 50% of the trip cost for cancellations made up to two weeks prior to the trip start. There are no refunds for any cancellation made within two weeks of the trip start or for 'no shows'. I authorize American River Recreation to charge my credit card for any incidental fees related to my rafting trip (extra night camp fees, meals, rental tents, etc). These optional items are an additional cost to the client and **are not** included in the rafting package.
