### Meeting Time and Place

Our rafting trip begins promptly at **10:00 am** at 'Three Rivers Hideaway' off of Hwy 198 in Three Rivers, California. It is important that everyone arrive on time (we do not wait for late arrivals). Please check in with our staff and they'll be happy to answer any of your questions. **Note:** Other rafting companies meet at Three Rivers, so make sure you check in with **American River Recreation**.

### Trip Logistics

Our trip begins with a scenic bus ride to the launching point. Here we begin our trip with a safety talk and paddling instructions. You will meet your guides; receive your lifejacket, paddle, helmet and wetsuit (if required). Once on the water you will have time to practice your paddling skills so everyone will feel comfortable before beginning the adventure on one of the most action packed whitewater rafting trips in California.

The Kaweah River flows out of Sequoia National Park in the southern Sierra Nevada range. It offers non-stop class IV rapids almost from the starting point to the take-out. Get ready to challenge such rapids as 'Milk', '2.8', 'Powerhouse', 'Suicide Falls', and 'The Flood'. Along the way we will stop for a delicious deli-style lunch served on the banks of the river. To top off the river trip we will run upper and lower 'Slickies'. Depending on the level of the lake, we will either take-out at the lake (low-level) or back at our meeting place (high level).

### We Supply

On 1-day trips we provide trained guides, lifejackets, paddles, whitewater rafts, river shuttle service, lunch, and cold refreshments at the end of the trip. **Note:** 1-Day trips **do not** include camping, rental tents, dinner or breakfast. These items may be added for an additional fee, and must be booked and paid in advance.

### What to Bring

River attire is very casual and you should expect to get wet, so dress accordingly. Quick-dry clothing is recommended. Cotton stays wet and does not keep you warm.

Following the list below will assure you a comfortable and well-prepared trip:

- Swimsuit
- Waterproof Camera
- Sunscreen (waterproof)
- Sunglasses w/Strap
- Shorts
- Sun hat or visor
- Dry clothes (leave in car)
- Old tennis shoes or river sandals(no flip-flops)

We recommend the following cool-weather clothing (as a precaution) for April and May, or anytime during the season when rain or cool weather is a possibility:

- Wetsuit
- Neoprene Booties
- Rain Jacket
- Wool Socks
- Wool Hat
- Polypro Clothing
- Wool Sweater
- Wool Gloves
- Nylon Windbreaker

Wetsuit with splash jacket can be rented through our office for cool weather conditions. Please call to reserve in advance. Rental fees: 1-day: \$10, 2-days: \$15.

**Please do not bring** pets, fireworks, or firearms. Because of the great risk of injury, we do not allow any high-pressure water guns on our trips. We urge you to leave your valuables at home. It is not possible to photograph while running the rapids. Professional photographers are positioned along the banks taking photos of us running the rapids. These photos are available for sale at the end of the trip; the companies are in no way associated with American River Recreation.

**Responsibility**

All river trips involve some risk and we recognize that accidents or illness can occur. We assume no responsibility for injury, damage or loss of your personal property, or for time and expense incurred. All participants are required to complete and sign the Assumption of Risk/Liability Release form before the rafting trip begins. Minors participating in a trip without a legal guardian present are required to bring a pre-signed form by his/her legal guardian. Please bring completed Release Form to the river for Check-In the morning of the trip. \*Release Forms available at [www.rafting.com/waiverform.pdf](http://www.rafting.com/waiverform.pdf).

We ask that each participant be both physically and mentally prepared for the rafting trip. Each participant must notify us prior to a trip of any medical conditions, i.e., life threatening allergic reactions and prescribed medications for severe physical conditions, etc. We reserve the right to turn away anyone we feel will jeopardize his or her own safety or the safety of other passengers and guides. The river is not a place for drugs or alcohol. We reserve the right to refuse service to anyone under the influence of such substances that will hinder his or her performance and jeopardize personal safety or safety of others. There are no refunds for cancellations made for this reason.

**Cancellation Policy**

Please read our policy and advise other trip members. If you must cancel, all but a reservation fee of \$20.00 per person will be refunded up to four weeks before the trip. We will refund 50% of the trip cost for cancellations made up to two weeks prior to the trip start. There are no refunds for cancellations made within two weeks of the trip start date. Seats are transferrable. In the event of a last-minute cancellation, try to find another person to take the place. The reason for this strict policy is that we have a limited amount of seats we can sell. Often our trips fill up and we have to turn others away. Also, substantial commitments and expenses must be incurred by American River Recreation before a trip departs. It is sometimes necessary to cancel or modify a trip because of unusual circumstances. We reserve the right to cancel or modify any trip due to weather, water conditions, insufficient reservations or other circumstances beyond our control. In such cases, we cannot be responsible for expenses other than refunding all or part of the fees paid to American River Recreation. We are not responsible for any other expenses incurred by the individuals. The determination of refunds will be made after reviewing trip details. Guides and other on-river personnel employed by American River Recreation are not authorized to make or promise trip refunds or trip credits. Such determination can only be made by company officers.

**Travel Insurance**

Unforeseen circumstances may result in last-minute cancellations and could cause significant financial loss to our guests. For this reason we strongly recommend short-term travel insurance. Policy information is available on our website at <http://www.rafting.com/travelins.pdf>.

**Gratuities**

Clients often ask us if tipping the guides is appropriate. Although our staff is well compensated for their services, if you feel they went that extra distance to make your trip special, a tip is a great way of showing your appreciation, as in any other service industry. Tips are generally around 5% of the trip cost.

## **ASSUMPTION OF RISK AND RELEASE OF LIABILITY AGREEMENT RE: WHITEWATER RAFTING WITH AMERICAN RIVER RECREATION, INC.**

In consideration of the services of American River Recreation, Inc., The State of California, it's Department of Parks and Recreation, U.S. Bureau of Reclamation, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as **A.R.R.**) I hereby agree to release and discharge **A.R.R.**, on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that rafting on rivers entails known and unanticipated risks, which could result in physical or emotional injured, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: whitewater rapids will be encountered. I can be jolted, jarred, bounce, thrown to and fro and shaken about during rides through some of these rapids. It is possible that I could be injured if I come in contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft. Rafts could turn over or I could be 'washed' overboard. I can slip or fall during a hike, resulting in damage to equipment or personal injury. Accidents can occur getting on and off the raft. Rafts are slippery when wet. Exposure to the natural elements can be uncomfortable and/or harmful. I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, and heat cramps. Also prolonged exposure to cold water can result in hypothermia and in extreme cases death and accidental drowning is also a possibility.

Furthermore, **A.R.R.** guides have difficult jobs to perform. They seek safety, but they are not infallible. They might be ignorant of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in the activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless **A.R.R.** from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of **A.R.R.** equipment or facilities, **including any such Claims which allege negligent acts or omissions of A.R.R.**

4. Should **A.R.R.** or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I have no medical or physical conditions, which could interfere with my safety in this activity, or else I am willing to assume-and bear the costs of-all risks that may be created, directly or indirectly, by any such condition.

6. In the event that I file a lawsuit against **A.R.R.**, I agree to do so solely in the state of California, and I further agree that the substantive law of the state shall apply in that action without regard to the conflict of law rules of that state.

7. I hereby grant permission to **A.R.R.** and any person or entity action on its behalf to take photographs or movies of this trip for any purpose, including commercial or advertising purposes.

8. I understand **A.R.R.** is not responsible for actions or injuries caused by participants upon other participants.

9. I understand and agreed (explained by phone or mailed) to the terms and conditions of the cancellation policy set forth by **A.R.R.** Also, No refunds for 'No Shows'. I authorize **A.R.R.** to charge my credit card for any incidental fees related to my rafting trip (extra night camp fees, meals, rental tents, etc.) These optional items are an additional cost to the client and **are not** included in the rafting package.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in the activity, I may be found by a court of law to have waived my right to maintain a lawsuit against **A.R.R.** on the basis of any claim from which I have released him or her herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
